Guidelines for research scholar and the supervisors:

1. The request to change of supervisor is only be considered as per University Research Ordinance. The change of supervisor will be accepted in only case if **“the teachers retiring, leaving, or proceeding on long leave on deputation or where unforeseen circumstances have necessitated a change of Supervisor”**. Apart from the above, any request for a change of supervisor will not be accepted.
2. Complete **Area of Research** cannot be changed after admission.
3. Research scholar should submit the above application to the supervisor with justification in separate page and an Annexure-1.
4. After receiving application from the Research scholar, Supervisor needs to conduct the meeting with Research Advisory Committee (RAC) and research scholar to discuss the appropriate reason to change the supervisor. The minutes should be attached with the application before recommendation.
5. Completed documents with all enclosures will be submitted to the department.
6. Incomplete application will not be accepted.
